

**A deposit
of just 5%?
With our help,
you can do it!**

**Now there's help for first
home buyers in Auckland.**

YouOwn has partnered with Lamont & Co to offer a helping hand to home buyers interested in the Onehunga Mall Club by reducing the deposit required to buy your apartment to just 5%.

What's the deal?

The co-ownership agreement substantially reduces the size of a deposit you need to save when applying for a home loan. Your goal is to buy us out in five years – if and when you're ready – so that you eventually own the property outright.

How does it work?

It's simple. You buy a portion of the property you can afford now, and we help with the rest. You pay us 4.95% per annum on our share and after five years, you can buy our share when you are able to. With our help, you can step into your own home today and create the future of your dreams.

5 simple steps to home ownership.

Together, we're making home ownership a reality. And it's easy!

01. Are you eligible?

- NZ Citizen / Permanent Resident
- Household income of \$90,000+
- 5% deposit from savings/Kiwisaver
- Low or no debt

02. Talk to us

If you're eligible, please complete our simple enquiry form online or call **YouOwn** on **09 302 8521**.

03. Get a home loan

With YouOwn providing the funds for your deposit, we can refer you to a financial advisor to arrange the home loan.

04. Choose your apartment

You select your Onehunga Mall Club apartment and sign the sale and purchase agreement conditional on your due diligence and working with YouOwn to assist with your deposit.

05. Move in!

Prior to your apartment being completed and settlements being called, you sign the loan documents with your solicitor. If you don't have a solicitor, we can refer you to one that understands the co-ownership agreement. After that, the balance of the purchase price is paid, the home lender registers a mortgage over the property, and you move in!
